

# STANDARDIZED TEST SCORES

## AIMSWEB PLUS - FALL 2021

AimsWeb is a national standards-based assessment used to identify strengths and gaps in student learning. Trinity Academy's average classroom scores can be compared to national norms to see how the school is performing.

### ORAL READING FLUENCY SCORES

Grade Level	Trinity Avg.	National Avg.	Trinity Score Grade Equivalent
Kindergarten	46.2	N/A	
Grade 1	47.4	35.3	Above grade level
Grade 2	91.2	70.5	3rd grade level
Grade 3	112.0	93.9	5th grade level
Grade 4	128.7	112.6	12th grade level
Grade 5	157.1	128.3	12th grade level
Grade 6	157.2	148.1	12th grade level
Grade 7	166.2	149.1	12th grade level
Grade 8	175.9	153.5	12th grade level

#### Oral Reading Fluency Testing

Oral reading fluency (ORF) is the ability to read texts and demonstrate appropriate rate and accuracy. Students read a passage aloud for one minute. Words omitted, substituted, and hesitations of more than three seconds are scored as errors. Much research has shown that ORF significantly predicted year-end reading achievement on the Iowa Tests and Terra Nova reading assessments. AimswebPlus reading assessment measures ORF.

### MATH SCORES

Grade Level	Trinity Avg.	National Avg.	Trinity Score Grade Equivalent
Kindergarten	41.9	N/A	
Grade 1	47.4	N/A	
Grade 2	181.5	163.9	3rd grade level
Grade 3	202.0	189.6	4th grade level
Grade 4	215.0	200.3	6th grade level
Grade 5	242.3	216.9	12th grade level
Grade 6	236.2	220.2	12th grade level
Grade 7	246.4	225.4	12th grade level
Grade 8	249.5	229	12th grade level

#### Math Testing

In grades K-1, students are tested on the following: rote counting 1-100, number identification, understanding number value, and number sequencing.

In grades 2-8, students are tested on basic facts and complex computations (+, -, x, /). Mastery of these basic facts is a strong predictor of success in future math classes.

Example: A 6th grader who is testing at the 12th grade level is performing basic facts and computations at the same level as a high school senior.

# STANDARDIZED TEST SCORES

## IOWA ASSESSMENTS - SPRING 2022

The Iowa Assessments measure a student's content knowledge in reading, language arts, mathematics, science and social studies. The test is administered to approximately 3 million students in the United States and abroad and is used to ensure that students are meeting standards.

	English/ Language Arts	Math	Science	Social Studies	Complete Composite	Above Grade Level
Kindergarten	1.6	1.4	NA	NA	1.6	.6 years
Grade 1	2.5	2.3	2.4	2.7	2.4	.4 years
Grade 2	3.8	4.0	3.9	4.3	3.9	.9 years
Grade 3	4.4	4.3	4.5	4.5	4.4	.4 years
Grade 4	6.6	5.7	6.3	5.8	6.1	1.1 years
Grade 5	7.1	7.2	7.8	7.6	7.3	1.3 years
Grade 6	7.9	7.6	7.6	7.1	7.5	.5 years
Grade 7	12.1	9.3	9.2	9.3	10.0	2.0 years
Grade 8	10.9	10.6	11.4	9.9	10.7	1.7 years

The scores listed are grade equivalents. Example: 6th Grade English/Language Arts total is 7.9. This means that on average Trinity 6th graders scored the same as a 7th grader taking the same test.

Test numbers stand for the grade level plus the month of the students' performance. For example, 1.4 means 1st grade, 4th month.
